

# J3 WARMING CABINETS

 **SKYTRON**<sup>®</sup>  
TRUSTED PARTNER | PROVEN SOLUTIONS

# Delivering maximum capacity, efficiency and ease of use.

Skytron J3 warming cabinets keep blankets and solutions at clinically ideal temperatures while maximizing caregiver efficiency. Digital controls provide at-a-glance temperature verification and automatic data logging offers convenient trend analysis. Skytron offers countertop, under counter and full height models – providing spacious solutions for the OR, ER, ICU, patient care departments and more.
